MAKING WAY

FOR NEW

Heavy Demolition

Details:

Owner: Norfolk Public Schools

General Contractor: S.B. Ballard Construction Company

Project Name: Demolition of Campostella Elementary School

Location: 1136 Campostella Rd., Norfolk VA 23523

Description:

The scope of work for this project included removal of and disposal of approximately 94,700 sq. ft. of a one-story school along with the site demolition of 63,400 sq. ft. within the property, located in Norfolk. In addition the project entailed removal and disposal of non-friable asbestos floor tile, friable wall paneling and insulation, as well as PCB contaminated door and window caulk. Abatement, demolition, and site demolition were conducted in a timely manner, as the schedule met all contractual performance goals. All concrete, brick and block building materials were crushed on site, in-house by Macsons. Over 8,000 tons of crushed materials were recycled, half of which were directly reused on site.
