Demolition Golden Sands Hotel

Demolition carefully executed on the Virginia Beach Oceanfront.

Heavy Demolition

Details:

- Owner: Waves Motels, Inc.
- General Contractor: McKenzie Construction Corporation
- Project Name: Golden Sands Motel Demolition
- Location: 14th Street, Virginia Beach Virginia (Ocean Front)

Description:

HEAVY DEMOLITION for this project included demolition, removal, and disposal of approximately 5,300 SF of a 3 story motel structure, and an additional 25,000 SF of a five story motel structure at the ocean front in Virginia Beach. Prior to demolition, the project entailed the removal and disposal of non-friable asbestos floor tile, fire doors, pipe insulation, and Transite paneling. All Concrete, brick, block, and asphalt materials were crushed off site with the majority of these materials being recycled as crushed stone. The project was successfully completed in a safe manner on Atlantic Avenue at the Virginia Beach Oceanfront, which is directly adjacent to the famous Virginia Beach Boardwalk.
