200,000 Square Foot 2 Story Department Store Abated and Stripped Clean

Select Demolition

Details:

- Owner: City of Norfolk
- General Contractor: Clancy & Theys
- Project Name: Building 880 J.C. Penny Renovation
- Location: Norfolk VA

Description:

Select demolition of J.C. Penny at Military Circle Mall, in Norfolk, involved total removal of architectural, electrical, mechanical and plumbing systems. 200,000 square feet of the department store were demolished and abated. Having a 100,000 SF footprint, the two story building was completely stripped of all surfaces and systems using both heavy machinery and power tools. Over 50,000 SF of ceramic tile was removed and 60,000 SF of floor tile and asbestos containing mastic were abated.
