## Heavy Demolition / Lincoln Park Buildings and Implosion

**Eight story building entirely demolished by implosion in fifteen seconds.**

## Heavy Demolition

### Details:

- Owner: NNRHA
- General Contractor: Macsons, Inc.
- Project Name: Demolition of Lincoln Park Housing Complex
- Location: Hampton VA

### Description:

The job required an explosive detonated demolition of an 8 story apartment complex, including 19 additional apartment and community buildings, on a 20 acre site. The implosion of the larger mid-rise building comprised 94,000 square feet of demolition and clearing. This particular implosion was the first ever in the City of Hampton VA. All the materials remaining on site after the implosion and heavy demolition were recycled, paving the way for redevelopment of the property.
