## Select Demolition Rotunda Lofts Building

Demolition removed a million pounds of concrete in 19 days.

BEFORE

AFTER

## Select Demolition

### Details:

- Owner:
- General Contractor: Hoy Construction
- Project Name: Rotunda Lofts
- Location: Norfolk, Virginia

### Description:

Project required selective removal of facade to facilitate redesign of Rotunda Building, now a landmark in downtown Norfolk. Demolition directly adjacent to Monticello Avenue, during heavy traffic necessitated careful precautionary engineering to ensure safety, and precise adherence to date of completion.
